

About NFED

NFED is a registered trust established in pursuance to create socio-economic sustenance through entrepreneurship Development. NFED believes that infusing entrepreneurship is the sheer necessity for developing nation like India. However, it intends to serve under a glocal perspective to bring in prosperity by and large to foster entrepreneurial progression amongst all communities in general and women in particular. NFED is into creating an entrepreneurial cult amongst communities through inculcation of enterprising skills so as to become economically productive and viable to grab the opportunities. Entrepreneurship Development is possible with the medium of Entrepreneurship Awareness Creation (EAC) and Entrepreneurship Opportunity Guidance (EOG). NFED strongly emphasizes on these two approaches, which will facilitate ones' self and shape the personality through adequate skill acquisition so as to become enterprising. NFED envisages on innovative practices through these aforementioned avenues to promulgate vibrant enterprising workforces across the nation.
